Conference
Congratulations on your decision to join our fraternity and sorority community at the University of California, Merced. I truly believe that you are embarking on a journey, which will positively impact your future. I’m excited for you to “Create Your Journey”

As a new member in our fraternity and sorority community, you are now part of an interconnected network of friends, peers, and support that will push you to succeed far beyond your time at UC Merced. I encourage you to understand the different organizations that make up our diverse and unique community. Make the most of your experience and push yourself to get involved in the councils that oversee our chapters, run for office in ASUCM, get involved in another organization on campus, participate in service/philanthropy, and find ways that you can leave a legacy within our community.

In the coming hours, you will participate in various workshops that will provide you with basic knowledge and expectations about being a member of a fraternity or sorority. You will also have an opportunity to network with other new members and get to know the other members of your new FSL Family. Make the most of this investment in your time and participate in all of the sessions.

I look forward to seeing the profound impact you will have on our community and the university.

With Appreciation,

Hayley Montoya,
Coordinator, Fraternity and Sorority Life & Student Conduct
